

**HUMAN PLUS 2004**

**First Conference of the Archipelago of Humanistic Thematic Networks  
"The role of the humanistic arts and sciences in European society, education and research"**

Name: Wladyslaw Witalisz

Work group: 2: defining and promoting cooperation in the archipelago for meaningful collaboration in research

Thematic Network: ACUME

1. the importance of the interdisciplinary approach
2. possible areas of common interest between various Thematic Networks
3. topics for joint research, conferences and publications
4. creating interdisciplinary bibliographies on chosen topics
5. creating a newsletter (attached to the Archipelago web page) informing about possibilities of cooperation between networks and promoting results of joint projects
6. designing and implementing a campaign promoting the activities of the Archipelago in member institutions and outside (posters, internet links on departmental web sites, exchange visits between Archipelago institutions with lectures and workshops)
